Add your additional expenses. Once each expense is saved, it will appear on the left hand side.

If you need to attach a document, click on Attachments > Attach Documents.

Please Note: Attachments will not carry over to your Expense Report.

Humboldt State has contracted Christopherson Business Travel (CBT) as our Travel Booking Agency. It is recommended to book travel (airfare, hotel and Car rental reservation) via Concur, either by using the online booking tool in Concur Travel or calling a CBT Agent.

In order to Book Travel via Concur you need to choose 1-Book via Concur on the Travel Request Header and your Travel Request must be approved prior to booking your travel reservations.

If you prefer to call a CBT Agent and book your travel, please make sure to provide the Request ID of your Travel Request. The Request ID can be found above the Request/Trip Name of the request.
Step 2: Once Travel Request is approved…

- Click on Requests > Manage Requests
- Locate your Request you want to book travel for
- Click on Book (under Action)
Step 3: Booking your Itinerary

- Your itinerary will appear based on the information you provided in your Segments.
- Add any additional information required such as departure times or pick up locations.
- Click on Proceed to Booking.
- System will search based on your itinerary. Booking order: Airfare, Car Rental, then Hotel.
Booking Airfare

- Coach or any other discounted economy class fare shall be selected that meets the traveler’s schedule needs.
- The system will save the lowest cost airfare in the search results. For any flights with a price 20% greater than the lowest cost airfare, the system will display a warning icon (out of policy) next to the blue reserve button.
- Your name in Concur is the name that will be on your airline ticket. If this is not the name on your photo identification you travel with, please contact the Concur Coordinator *prior* to booking your flight.
- US Bank Travel Ghost Card will be automatically charged for airfare. University will prepay the expense and there is no reconciliation required on the department.
All Car Rental reservations should be booked through Enterprise or National as they are the contracted vendors by the CSU.

Rental up to an intermediate size vehicle is allowable under the CSU Travel Policy. Larger vehicles may be allowable if there is a no-cost upgrade provided or if the recommended sizes are not adequate to meet the business purpose of the trip.

Preferred vendors will list at the top of the matrix.

You do not need to add a card in order to book a car rental reservation. You will need to provide a credit card at the time of car pick up.
Hotel Reservation

- Maximum nightly room rate is $275 before tax. If you book a hotel greater than $275 you will only receive reimbursement for the max rate of $275 plus any applicable taxes charged, unless an approved Exception to the Travel Policy form is attached to your Expense Report. Please acquire the approval prior to booking a hotel that is over the maximum nightly room rate.

- If a conference is doing room blocks for their attendees, please do not book hotel through Concur. CBT is unable to access the discounted rates you would get with these room blocks.

- You will need to add a credit card on file in order to guarantee your hotel reservation. This card will not be charged and you will need to supply a credit card in person at the time of check-in.

There are several ways to attach a receipt:
- Scan, Save and upload from your computer.

- Take a picture using your phone and to email and submit via Concur Mobile App.

Attaching a receipt to an individual transaction:
- Select the expense type transaction, then click the Attach Receipt button on the bottom right hand corner.
  - Browse, locate, and upload the image from your files.
  - Choose an image from your Available Receipts.
- To add an attachment, other than a receipt, you will need to use the Attach Receipt option.
All expenses will be charged to the chartfield indicated on your Expense Report Header unless allocated.

You can either allocate by **Percentage** or **Amount**.

We recommend to allocate at the end after entering all your expenses by clicking on **Details > Allocations**.
Expense Reports must be submitted within 60 days from the trip end date.

- To see who is approving your reports or to see where your report is in the workflow, open the Expense Report, click **Details > Approval Flow**.
Expense Report Approval Workflow
If there are any issues with your Expense Report, your report will be sent back along with comments. Once complete, please resubmit your Expense Report so it can go through the approval workflow again.
