Access Online Terms of Service

1. ACKNOWLEDGMENT AND ACCEPTANCE OF TERMS OF ACCESS ONLINE

Access Online, owned and operated by U.S. Bank, is provided to the customer under the terms and conditions of this Access Online Terms of Service (ATS) which incorporates by reference any operating rules or policies that may be published by U.S. Bank. The ATS as it may hereafter be amended or modified without notice, comprises the entire agreement between Customer and U.S. Bank and supersedes all prior agreements between the parties regarding the subject matter contained herein. By logging on to Access Online and clicking the "I Accept" button, you are indicating Customer's agreement to be bound by all of the terms and conditions of the ATS and that you have the authority to so agree on behalf of Customer.

In consideration for access to Access Online, Customer agrees to: (1) provide certain current, complete, and accurate information about Customer as prompted to do so by Access Online; and (2) maintain and update this information as required to keep it current, complete and accurate. All information requested on original sign up shall be referred to as registration data ("Registration Data"). Furthermore, Customer grants U.S. Bank the right to disclose to third parties certain Registration Data about Customer in the aggregate; however, such disclosures will exclude Customer's name, mailing address, e-mail address, account and phone number, unless: (1) Customer expressly directs U.S. Bank, or any other person Customer may specifically designate to disclose such information or (2) U.S. Bank is required to disclose such information by any applicable law or legal process served on U.S. Bank.

If any information provided by Customer is inaccurate, U.S. Bank retains the right to terminate Customer's rights to use Access Online without notice.

2. DESCRIPTION OF ACCESS ONLINE

U.S. Bank is providing Customer with a capability to send and receive electronic data ("Data") via the World Wide Web and on U.S. Bank's own system. Customer must: (1) provide all equipment, including a computer and modem compatible with Access Online, necessary to establish a connection to the World Wide Web; and (2) provide for its own access to the World Wide Web and pay any telephone service fees associated with such access to Access Online.

The section titles in the ATS are solely used for the convenience of the parties and have no legal or contractual significance.
